Things to do

Ane Kone Trail

7km trail from the village by the Yammeng River and the Hikki River. It is the best trail for butterfly sightings such as the Dark Freak, Brown Gorgon. The trail winds on towards Ane Kone, a mystery stream where leaves or any objects that comes in contact with it turns to stone.

Harkam Trail

A 4 km trail from Basti to Dabu Pakang, which includes a historically significant spot. This trail is home to a rich diversity of birds and butterflies, making it an ideal spot for birdwatching and butterfly spotting. The trail also leads to the Herak field, a viewpoint where the Chinese boundary is visible.

Pettang Trail

5km trail from the village that includes birdwatching opportunities, historically significant spots, and a chance to experience terrace farms.

Essentials
